

Introduction

This is a quick introduction to the new online entry and management facility for competitors racing at Mondello Park. We recommend using Internet Explorer or Chrome browsers but the new Edge browser from Microsoft plus Safari and Firefox on Apple Mac and iPads should work too. The online site will run on other mobile devices but because of the amount of information we recommend a device that can display at least 1024 x 768 resolution.

Logging In

After clicking the link on the main Mondello Park website (you can also go direct to <https://mondellorm.prosolvehosting.co.uk:485/login.aspx>) you will be re-directed to the Competitors Online login page as seen below. Your **Login Name** is your email as registered with Mondello Park and your **Pin Code** will have been sent to you... if you don't have an Pin Code please contact the office.
